

Rules & Details for the CRDA Fun Dance on February 27, 2021

Dear Dancers,

We have had good participation with our Fun Dances in July and August 2020. CRDA has scheduled a Fun Dance on Saturday, February 27th, 2021 at 7 PM, at Rose Hill Grange in Commerce City featuring John Herr and Becky Evans cuing. As you know, hosting a dance during COVID requires some added considerations.

In order to follow the current CO State directive, we will require social distancing (6 feet separation) and face coverings. (We will conform to the State health order in effect on the date of the dance.) Dancing in an enclosed space makes wearing face coverings even more important. We may be opening doors & windows depending on the weather. **Note:** Cuers will NOT be wearing a mask while cuing.

We understand that dancing with a face covering (mask) is not ideal. Still, we will **require** face coverings. In order to support safety at our dance, surfaces will be wiped down (including restrooms) prior to the beginning of the dance, hand sanitizer will be available, the sign-in table will not be manned, and a contributions basket will be provided with clean pens.

Suggested contribution is \$15 per couple.

We are limiting the dance to 10 couples (24 dancers). **This dance will be by RSVP only.** If you are comfortable with these details and wish to attend, please RSVP to stevepitts@mindspring.com or call/text Steve at 303-332-1862. (An RSVP required in order to attend). **CRDA liability waiver:** By signing in at the dance you are agreeing to the CRDA liability waiver (as does your partner). Please bring your own water bottle. CRDA will provide hearing assistance (with sanitizing wipes.)

Please bear with us as we put on Fun Dances during COVID. We are always open to feedback & suggestions from dancers and cuers.

PLEASE, if you do not feel well, or *think* you do not feel well, have a fever, a cold, coughing, the flu, feel that you have been exposed to COVID, or the bubonic plague, please STAY HOME!! We look forward to seeing you when you are well!
