

Round Notes

Denver, Colorado

October/November 2007

President's Letter – Rob and Terri Sherwood

As we round into the final quarter of the year, it has been a busy two months for CRDA. Our monthly "fun dance" for August was held on Sunday after the Peach Festival in Grand Junction. Twenty-four couples participated in a very nice program at the Masonic Lodge. You have all seen our guest cuers Karen and Dick Fisher at our Gala in recent years, while local cuers Maxine and Dale Springer and Koy and John Prestridge took turns at the microphone. Our western slope board members, Herman and Jean Allamaras, were so pleased with the turn out we have another dance scheduled for next year. With continued support and hard work by our Colorado cuers and dancers, maybe this can become an annual event.

Of course, September brought us our annual Harvest Moon Dance, as a warm up for the November Gala. Our Round Notes editor, Rose del Sol, organized the event, and emphasized dances that are considered classics. In the afternoon Justin and Rose taught "That Happy Feeling", one of the more challenging classic two-step dances, with "tamara position", "pivot-four" and a "dishrag" in the choreography. The next afternoon teach by Ed and Elvira Glenn was "Moon Over Naples", followed by Milo and Grace Ferry giving us instruction on "Sugar, Sugar" by the Worlocks. The evening dance kept us all busy dancing more classics, except for four dances that Rose turned into a contest, as everyone tried to guess which were not classics. Forty couples and five singles filled the hall at the church.

This month's publication was delayed slightly to give time for Terri Cantrell to tabulate the Gala vote lists that will make up the bulk of the evening dance programs. Voting was done one line, plus there were printed forms at the Harvest Moon dance. Hopefully, all CRDA members checked off their favorite dances for November.

As always, we will need volunteers to help out at the Gala. There are lots of jobs to fill, such as rotating greeters at the sign-in desk, helping with decorations or setting up chairs. It doesn't take a lot of time, but it is sure easier with a lot of participants.

We have a new Round of the Month moderator with Chuck Thompson wearing a new hat, in addition to treasurer of our organization. We are looking forward to his dry wit spicing up the ROM dance selections.

Round Notes

Rose del Sol would like to change the format toward chat rather than publish the same information about dances in every issue, but some prefer the information format with less personal information. Need to spice things up. There was a period in the past where clubs submitted info for publication, could that be revived? Mailing cost is a big factor and there was discussion about making round notes more computer friendly as many members find printing from e-mail unsatisfactory. 96 copies were mailed last issue. Jack Baker offered to assist in setting up two different formats, one for mailing and one for e-mailing. The next round notes will be published in a little bit late to include the Gala information.

Cuer Selection

The committee will have a meeting between now and the gala to propose 2010 cuer selection for gala.

Gala and other dances

The Harvest Moon dance will be an all-classic dance; door prizes will be awarded for guessing which 4 dances are non-classics. Bill Holm will be providing the equipment and Ed Glenn the speakers.

45 couples are registered for the 2007 Gala, this half of the number needed. 46 lunches sold. There are only 7 rooms left at the Sleep Inn. Elvira Glenn and Peggy Pluim are hosting the after party, please bring finger food and your own drinks. Paper products will be provided. Vote list for dances is on the internet.

\$40 will be made available for snacks at the cuer school; this is a revival of a past procedure.

Hall of Fame

Congratulations to Bill & Karen Holm and John & Karen Herr who will be inducted into the Hall of Fame Friday night of the Gala. The scoring had been updated and more defined.

Membership

At last board meeting it was requested that lists from fun dances be reviewed to identify new dancers. Jean Montgomery sent made contacts and got 4 new members.

There was a discussion about recruiting new members, Jean consulted a professional and shared some good ideas. Other than supporting an activity that we all love, what is our incentive to join? A popular suggestion was a dance CD, legal will be consulted.

Colorado State Square Dance Association Representative - No report

Denver Area Square and Round Dance Council Representative - No report

Promotion/publicity + Cuer Class report

Mitchell Thompson attended the cuer class and related learning better teaching methods, using equipment, tax methods, teach and choreograph.

Other attendees will be asked to submit a short note on their experience, as well as John Herr who was teaching.

Round of the Month

Jack Baker expressed deep concern about attendance at meetings; participation is low and always the same people, about 8 or 9 mostly cuer couples. The next meeting will be September 8th at 9:30 at Maple Grove Grange. Jack has asked for a chairperson to fill in for him for that meeting, and also for a permanent representative as Jack has fallen into the role of a permanent substitute chairperson. If there are no volunteers, someone will be appointed.

The procedure for choosing a round of the month dance was clarified for new board members and a brief discussion followed. The current procedure/guidelines seem to favor the easier dance to teach above other criteria.

Treasurer Report

One CD was cashed to pay for the 2007 Gala cuers. A new CD was purchased at TCF Bank. Another CD will be coming due in October. Checking account balance is above \$5000.00.

The fun dances are profitable and the board agreed to continue with the program. Chris Cantrell set up the equipment and cued for the February fun dance at no charge, so a motion was made and seconded to pay Chris \$50.

November 4th is the Barbara & Wayne Blackford Teacher's Seminar for cuers at the Rose Hill Grange. This is a free clinic, however, \$100 was in friendly dispute between the board and the cuers, so it was motioned and seconded that \$100 be paid to the Blackford clinic. This information will be relayed to the cuers at their September 15th caller/cuer meeting.

President Report

The monthly dance in May had 15 couples with cueing by John Herr and Roy Knight. Since September is Harvest Moon, the next monthly dance is in October in Colorado Springs with Justin del Sol and Bill Carter at the Carriage Stop. And later today there will be a fun dance in Grand Junction.

The State Square and Round dance Association rented our hearing assist equipment. They rented two of the three transmitters and had use of all the transmitters. The organization felt that a few more people would have attended the weekend if they had publicized the availability of the hearing equipment.

Jack Baker wants to discuss ROM moderator/attendance issues.

The Rose Hill Grange is being rented several times per week for Salsa classes. They have scores of attendance. What are they doing that we are not?

Vice President Report

Later in the meeting
